Reporting & Analytics: Key Performance Indicator (KPI) reporting, Advertising Cost of Sales (ACOS) optimization, Advanced Excel, SQL, Google Analytics 4, Salesforce, e-commerce (Amazon, Flipkart)

Professional Experience

Marketing Operations Analyst | **Grimes King Foundation Inc.** | Boston, MA | Aug 2025 – Present
- Increased program sign-ups by **35%** in Q1 by mapping the full acquisition funnel (organic search to email nurture to re-targeting content), pinpointing the two highest-drop-off stages, and rewriting stage copy.
- Grew program registrations by **40%** and engagement by **50%** by tracking website, email, and outreach performance in Google Analytics 4 against weekly Key Performance Indicators (KPIs) for stakeholders.
- Cut intake processing time by **40%** across **80+ applicants** by executing a Process Redesign from a manual paper workflow into an automated digital system, freeing staff hours for direct outreach.

Graduate Business Analytics & Marketing Associate | **Babson College** | Wellesley, MA | Sep 2023 – May 2025
- Built predictive customer segmentation and attribution models in SQL and Advanced Excel across **10,000+ records**, improving target campaign conversion efficiency by **28%** in graduate consulting sprints.
- Managed Project Management trackers, Content Calendars, and Creative Briefs for **6 cross-functional team deliverables**, achieving **100%** on-time milestone completion across 4 academic semesters.
- Audited digital acquisition funnels and Search Engine Optimization (SEO) performance for partner brands, delivering actionable KPI dashboards that lifted organic landing page engagement by **32%**.

Marketing Lead (E-commerce & Amazon) | **Moksha Creations** | Bengaluru, India | Feb 2022 – Aug 2023
- Cut Amazon Sponsored Products cost per order by **28%** (Advertising Cost of Sales (ACOS) from **35% to 25%**) and lifted click-through rate (CTR) **24%** by consolidating 16 campaigns into 6 as budget scaled from **$5K to $20K**.
- Lifted the hero ASIN unit session percentage from **1.2% to 3.4%** (**2.8x**) in 8 weeks by iteratively testing main image angles, benefit-led infographics, title copy, and A+ content.
- Grew monthly unit sales from **200 to 1,500** (**7.5x**) and social engagement by **230%** across Amazon and Flipkart by running Meta Ads Manager campaigns, Search Engine Optimization (SEO) updates, and Mailchimp flows (**40%** open rate).

Growth Analyst | **Petropath Fluids India Pvt. Ltd.** | Bengaluru, India | Jan 2021 – Jan 2022
- Improved MQL-to-SQL conversion by **34%** by building a channel-level attribution model across **15+ B2B campaigns** (Google Ads, Meta, LinkedIn, email) and reallocating spend to top-converting channels.
- Generated **$3M+** in annual sales pipeline at a **35% average open rate** and **12% CTR** by tracking and reporting performance across **10+ email campaigns** for sales and marketing leadership.
- Analyzed lead source conversion across deal stages using SQL to join Customer Relationship Management (CRM) touchpoints with campaign tables in Salesforce across **15+ B2B campaigns**.
